CLEANSERS

Gentle Daily Hydrating Cleanser	TYPE	SIZE	COST 48 UNITS	COST 24 UNITS	SUGGESTED RETAIL RANGE
<p><i>This sulfate-free, daily micro-foaming cleanser thoroughly cleanses the skin to gently remove surface impurities and soothe redness without stripping the skin of essential oils. Gentle enough for the most sensitive and post-procedure skin, this formula combines the nutritive benefits of soothing Cucumber Extract, healing Calendula Extract and deeply hydrating Hyaluronic Acid to rebalance and calm the skin, leaving it remarkably moist and supple. Added Vitamin B5 promotes the formation of new, healthy skin cells to aid in skin repair while also providing anti-inflammatory benefits. Excellent for all skin types.</i></p>	Retail	4 oz	11.20	12.88	28.00 - 36.00
	Professional (Backbar)	12 oz	28.00		

Pore-Refining Daily Cleanser	TYPE	SIZE	COST 48 UNITS	COST 24 UNITS	SUGGESTED RETAIL RANGE
<p><i>This sulfate-free, skin purifying cleanser gently foams to thoroughly cleanse and exfoliate skin, removing excess oil and impurities, for a smoother, clearer complexion. White Willow Bark, a natural source of Salicylic Acid, deeply penetrates each pore to gently exfoliate congested cells that build up and lead to blemishes and breakouts. Witch Hazel, Calendula Extract and Tea Tree Oil assist in purifying and soothing skin to encourage healing, reduce redness and minimize the appearance of enlarged pores. Added humectants, and the exclusion of sulfates, ensure this cleanser will help keep the skin and pores clear, without ever drying or overstripping.</i></p>	Retail	4 oz	11.20	13.44	29.00 - 37.00
	Professional (Backbar)	12 oz	31.36		

Pure Radiance Anti-Aging Cleanser	TYPE	SIZE	COST 48 UNITS	COST 24 UNITS	SUGGESTED RETAIL RANGE
<p><i>This sulfate-free, foaming daily anti-aging cleanser delivers powerful antioxidants to the skin to protect and repair, while gentle alpha hydroxy acids hydrate, exfoliate and smooth away uneven texture caused by intrinsic aging. Catechin-rich Green Tea & White Tea Extracts help fortify skin's cellular matrix, defending against free radical damage and helping to prevent collagen breakdown. Lactic Acid works synergistically with these antioxidants and other humectants to increase dermal glycosaminoglycan content and normalize hyperkeratinization, exfoliating away dead skin cells that contribute to uneven skin texture and a dull complexion. An essential component to any anti-aging regimen, this cleanser will help nourish, repair and prep skin for the delivery and optimal penetration of companion anti-aging products.</i></p>	Retail	4 oz	11.20	13.44	29.00 - 39.00
