GOOD MANUFACTURING PRACTICES

HOW WE FORMULATE

CHEMISTS. Our chemists carry a profound knowledge & expertise in cosmetic chemistry and professional skin care, with a deep commitment to quality. They have established themselves as leaders in ingredient research & innovation. Our lab methodology for every product reflects technical requirements for efficacy & performance for measurable results.

EFFECTIVE INGREDIENTS. Our clinical concentrations of active ingredients result in the most comprehensive products offered to the professional skin care market. Our products are clinically tested for efficacy to achieve the results you demand. And because of our stringent standards, we use only the most effective active ingredients and raw materials.

FORMULATIONS. Our chemists and R&D team have developed highly advanced formulations that utilize the latest in active ingredient research and product delivery technology, to provide maximum efficacy. Product formulations can be customized, or we can formulate from the ground-up for a nominal fee.

SHELF LIFE. All products have a shelf life of 18 months unopened, and 6 months after opening.

ALL FORMULATIONS ARE FREE OF: Parabens, Sulfates, Phthalates, and Gluten. They are vegan-friendly. We never test on animals.

CLEANSING & TONING

GENTLE DAILY HYDRATING CLEANSER

Manufacturers Suggested Retail Price Range: \$26 - \$34

SKIN TYPE: ALL / SENSITIVE / ROSACEA / POST-OP

PRODUCT DESCRIPTION: This sulfate-free, daily micro-foaming cleanser thoroughly cleanses the skin to gently remove surface impurities and soothe redness without stripping the skin of essential oils. Gentle enough for the most sensitive and post-procedure skin, this formula combines the nutritive benefits of soothing Cucumber Extract, healing Calendula Extract and deeply hydrating Hyaluronic Acid to rebalance and calm the skin, leaving it remarkably moist and supple. Added Vitamin B5 promotes the formation of new, healthy skin cells to aid in skin repair while also providing anti-inflammatory benefits.

HIGHLIGHT INGREDIENTS: Sodium Hyaluronate (Hyaluronic Acid), Tocopheryl Acetate (Vitamin E), Panthenol (Vitamin B5), Calendula Officinalis (Calendula) Flower Extract, Cucumis Sativus (Cucumber) Fruit Extract, Simmondsia Chinensis (Jojoba) Seed Oil.

PORE REFINING DAILY CLEANSER

Manufacturers Suggested Retail Price Range: \$28 - \$36

SKIN TYPE: COMBINATION / OILY / ACNE-PRONE

PRODUCT DESCRIPTION: This sulfate-free, skin purifying cleanser gently foams to thoroughly cleanse and

exfoliate skin, removing excess oil and impurities, for a smoother, clearer complexion. White Willow Bark, a natural source of Salicylic Acid, deeply penetrates each pore to gently exfoliate congested cells that build up and lead to blemishes and breakouts. Witch Hazel, Calendula Extract and Tea Tree Oil assist in purifying and soothing skin to encourage healing, reduce redness and minimize the appearance of enlarged pores. Added humectants, and the exclusion of sulfates, ensure this cleanser will help keep the skin and pores clear, without ever drying or over stripping.

HIGHLIGHT INGREDIENTS: Salix Alba (Willow) Bark Extract, Melaleuca Alternifolia (Tea Tree) Leaf Oil, Hamamelis Virginiana (Witch Hazel) Bark/Leaf/Twig Extract, Citrus Aurantium Dulcis (Orange) Peel Oil, Panthenol (Vitamin B5).

PURE RADIANCE ANTI-AGING CLEANSER

Manufacturers Suggested Retail Price Range: \$28 - \$38

SKIN TYPE: ALL (except Sensitive) / ANTI-AGING / MATURE/ HYPERPIGMENTATION

PRODUCT DESCRIPTION: This sulfate-free, foaming daily anti-aging cleanser delivers powerful antioxidants to the skin to protect and repair, while gentle alpha hydroxy acids hydrate, exfoliate and smooth away uneven texture caused by intrinsic aging. Catechin-rich Green Tea & White Tea Extracts help fortify skin's cellular matrix, defending against free radical damage and helping to prevent collagen breakdown. Lactic Acid works synergistically with these antioxidants and other humectants to increase dermal glycosaminoglycan content and normalize hyperkeratinization, exfoliating away dead skin cells that contribute to uneven skin texture and a dull complexion. An essential component to any anti-aging regimen, this cleanser will help nourish, repair and prep skin for the delivery and optimal penetration of companion anti-aging products.

HIGHLIGHT INGREDIENTS: Lactic Acid, Camellia Sinensis (Green Tea) Leaf Extract, Camellia Sinensis (White Tea) Leaf Extract, Panthenol (Vitamin B5).

PHYTO-ESSENTIAL HYDRATING TONER

Manufacturers Suggested Retail Price Range: \$34 - \$48

SKIN TYPE: ALL / DEHYDRATED / OILY / ACNE-PRONE

PRODUCT DESCRIPTION: This superior, oil-free moisturizing toner offers intense hydration, nourishment and protection for any and all skin types. Rich in Vitamin C and water-binding humectants like Hyaluronic Acid and Vitamin B5, this complex combines the phyto-actives of potent botanical extracts like Sea Kelp, Cucumber, Sage, Rosemary, Orange, Chamomile, Allantoin and Aloe, to soothe, heal and rejuvenate the skin while providing anti-inflammatory, antioxidant and antibacterial benefits. Can be used any time of day for an added skin hydration boost, or as a moisturizer for oily or acneic skin types who find a regular moisturizing cream too heavy.

HIGHLIGHT INGREDIENTS: Hamamelis Virginiana (Witch Hazel) Leaf Water, Sodium Hyaluronate (Hyaluronic Acid), Panthenol (Vitamin B5), Aloe Barbadensis (Aloe) Leaf Juice, Ascorbyl Glucoside (Vitamin C), Citrus Aurantium Dulcis (Orange) Peel Oil, Allantoin, Rosmarinus Officinalis (Rosemary) Leaf Extract,

Chamomilla Recutita (Matricaria) Flower Extract, Salvia Officinalis (Sage) Leaf Extract, Rosmarinus Officinalis (Rosemary) Oil, Cucumis Sativus (Cucumber) Fruit Extract, Macrocystis Pyrifera (Kelp) Extract, Equisetum Hiemale (Horsetail) Extract.

SCRUB

MICRO-DERM EXFOLIATING SCRUB

Manufacturers Suggested Retail Price Range: \$28 - \$55

SKIN TYPE: ALL / ANTI-AGING / MATURE

PRODUCT DESCRIPTION: This ultra-luxurious facial polish gently sweeps away dead skin cells and debris while infusing skin with essential antioxidants and vitamins to reveal a brighter, smoother and more radiant complexion. Sustainable Bamboo Stem Micro-Crystals and Pumice mechanically buff away uneven cellular surface buildup while Apple, Lemon and Sugar Cane Extracts provide natural alpha hydroxy acid exfoliation. Powerful antioxidants, including Green Tea and Vitamins C & E pair with moisturizing phospholipids and natural oils to round out this superstar formula to reveal healthier, glowing skin.

HIGHLIGHT INGREDIENTS: Bambusa Arundinacea Stem Powder, Pumice, Saccharum Officinarum (Sugar Cane) Extract, Pyrus Malus (Apple) Extra, Citrus Medica Limonum (Lemon) Extract, Citrus Aurantium Dulcis (Orange) Extract, Camellia Sinensis (Green Tea) Leaf Extract, Tocopheryl Acetate (Vitamin E), Retinyl Palmitate (Vitamin A), Phospholipids, Aloe Barbadensis Leaf Juice, Helianthus Annuus (Sunflower) Seed Oil, Simmondsia Chinensis (Jojoba) Seed Oil.
